BEACH-HEAD II

BEACH-HEAD II
The Dictator Strikes Back!

July, 1947

BEACH-HEAD II is a true "Head-to-Head", two player multisequence game that allows you to play against another person or the computer. You can choose to play either of the following characters:

Player 1: The Allied Commander (J. P. Stryker)

Profile: Youngest man ever to reach rank of Chief Commander. Fought courageously during World War II and was awarded the Medal of Honor for heroism. Quickly rose through the ranks during the war and gained respect and admiration from his colleagues for his integrity and leadership abilities.

Player 2: The Dictator (known as "The Dragon")

Profile: Evil, bloodthirsty, power crazed maniac. Fought savagely against the allies during World War II in the Pacific, disappeared and formed his own renegade army after the war. "The Dragon" demands (and gets) blind obedience from his followers who worship him as a demigod. He is a brilliant military tactician who has been trapped and outnumbered in battle many times, but has managed to turn the tables on his opponents through cunning and ruthlessness. His current objective is to obliterate the forces that gave his army a stinging defeat and destroyed his fortress.

Manufactured in the U.K. under licence from Access Software by U.S. Gold Ltd., Unit 10, The Parkway Industrial Centre, Heneage Street, Birmingham B7 4LY.

The continuing saga pits allied forces against the cruel dictator who escaped the destruction of the fortress with portions of his army and prisoners captured during the land battle.
A true "head to head" two player game with voice simulation and superb multiscreen graphics.
